# Tushar Bharti

B.Tech CSE • Semester 7 • Batch: 2021-25 • Roll No. 21CET0386

## Profile

Dynamic Software Developer proficient in C++, with a strong foundation in UI/UX design and Web Development using HTML, CSS, and JavaScript. Passionate about creating intuitive user experiences and efficient software solutions that drive innovation and enhance functionality.

## Industry Experience

Coursework and personal projects in web development, UI/UX design, and Android development. Developed responsive web applications and contributed to open-source Android app projects. Strong communication and teamwork skills gained through internship experience.

## Internship Experience

### Codsoft:

- Developed three C++ applications: Tic Tac Toe, calculator, and number guessing game, showcasing OOP skills.
- Gained hands-on C++ experience, improving coding skills and collaboration abilities.

## Project

### Major Project

#### Portfolio Website:

- A personal website showcasing my skills in HTML, CSS, and JavaScript, featuring a responsive design and interactive elements.
- Developed to demonstrate my ability to design and build a visually appealing and user-friendly website from scratch.
- Highlights my proficiency in front-end development and my attention to detail in creating a seamless user experience.

### Minor Project

#### Counter Application:

- It is a web application which has for buttons plus, minus, undo & redo and a progress bar. I have hosted it using vercel & GitHub.
