## Summary

Dedicated and skilled mechanical engineer with a passion for designing innovative solutions. Proficient in AutoCAD, SolidWorks, and MATLAB. Experience working on diverse engineering projects across various industries.

## Education

Bachelor of Engineering in  
Mechanical Engineering  
Zenith University, Nagpur,  
MH 20XX

Certificate in Engineering  
Phoenix Academy, Nagpur,  
MH 20XX

## Skills

- AutoCAD, SolidWorks, MATLAB
- Mechanical design principles and concepts
- Experience with analytical problem-solving
- Excellent communication and interpersonal skills

## Experience

Mechanical Engineer  
Tioka Motors, Nagpur, MH  
20XX – Present

- Fixed machines, built car parts, and designed everyday things for diverse projects.
- Drew up precise plans for machines and other objects using computer tools.
- Teamed up with builders to make sure my designs could be made easily and well.

Engineer Intern  
Tioka Motors, Nagpur, MH  
20XX – 20XX

- Assist in various phases of ongoing engineering projects, including planning, execution, and documentation.
- Collaborate with team members to meet project milestones and deadlines.

## Awards & Honors

- Best Engineering Project, Zenith University, 20XX
- Innovation in Mechanical Design, Abcde Engineering Conference, 20XX

## Projects

Tioka Foundation  
January – June 20XX

- Designed a new assembly line for an automotive manufacturer
- Developed a new manufacturing process for a non-profit organization
