EDUCATION

Maharishi Dayanand University **2021 – 2025**
B.Tech - Computer Science and Engineering *Delhi, India*

SKILLS

- Html, Css
- JavaScript
- React js
- Next js
- MongoDb
- Tailwind css
- MERN Stack
- C++
- Git, GitHub
- Node js
- Redux toolkit
- MUI

WORK EXPERIENCE
Logistic Api 🔗 **Sep 2023 – Nov 2023**
Web developer *Gurugram, Delhi*

- Developed a responsive front-end interface using React, enhancing customer satisfaction by reducing bounce rate by 25%.
- Created RESTful APIs with Node.js and Express.js, improving server-client communication efficiency by 40% and minimizing response time.
- Optimized MongoDB database queries and indexing, reducing average data retrieval time by 30%.

PROJECTS

Oyo Clone 🔗 ○ | Nextjs, Tailwind CSS, Mongodb, Redux toolkit, Razorpay Payment Integration **2024**

- Engineered a comprehensive hotel booking platform clone using Next.js and Tailwind CSS, featuring responsive design across all devices.
- Implemented secure and efficient payment integration to streamline the booking process.
- Optimized the app for performance and scalability, enhancing user experience and handling high traffic.

VistaGram - Social media 🔗 ○ | Reactjs, Mongodb, Expressjs, Redux toolkit, Cloudinary **2024**

- Developed a full-featured Instagram clone using the MERN stack with cloud-based image management via Cloudinary.
- Implemented user authentication, post creation, commenting, and like functionality using Express.js and MongoDB.
- Created an intuitive user interface with React.js and Redux Toolkit for state management.

Crypto site 🔗 ○ | React, JavaScript, CSS, HTML **2023**

- Built a cryptocurrency information dashboard displaying real-time data for multiple cryptocurrencies.
- Implemented interactive price charts and trend visualization using React components.
- Developed responsive layouts optimized for various screen sizes.

GOT - Character 🔗 ○ | HTML, CSS, React, MUI **2023**

- Developed an interactive character showcasing Game of Thrones characters and their house information.
- Created a mobile-responsive design supporting seamless viewing across all devices.
- Utilized React components for efficient state management and smooth rendering.

ACHIEVEMENTS & EXTRACURRICULAR

- Maintained 90% client satisfaction rate across web development projects as a Freelancer.
- Contributed to open-source projects, improving coding practices and collaboration abilities.
- Participated in school-level volleyball competitions, developing leadership and team collaboration skills.
